

# 2009 - Cankers, Natural Enemies, Thrips

September 11, 2009

## 2009 Fruit Advisories

### September 11

Cankers on Stone Fruits

codling moth, peach twig borer, spider mites, cankers on stone fruits, degree days, spray materials

### August 5

Peach Twig Borer, Spider Mite

codling moth, peach twig borer, western cherry fruit fly, coryneum blight, stink bug/lygus bug/earwigs, spider mites, degree days, spray timing, spray materials

### July 30

Information on Natural Enemies

lady beetles, lacewings, syrphid fly, minute pirate bug, pray mantid, predatory thrips, predatory mites, parasitic wasps

### July 23

Codling Moth, Thrips on Nectarine, Iron Deficiency

codling moth, thrips on nectarine, iron deficiency, "New Pest Found on California Cherries", degree days, spray timing, spray materials

### July 15

Lygus Bugs, Diseases of Stone Fruits

woolly apple aphid, spider mites, earwigs, lygus bugs, stone fruit diseases, walnut husk fly, prionus root borer, degree days, spray timing, spray materials

### July 8

Cytospora Canker, Prionus Root Beetle

codling moth, woolly apple aphid, cytospora canker, prionus root beetle, western cherry fruit fly, degree days, spray timing, spray materials

## **June 24**

Codling Moth, Hail Damage

codling moth, San Jose scale, hail damage, coryneum blight, plant bugs, degree days, spray timing, spray materials

## **June 17**

Pear Psylla, Powdery Mildew, Coryneum Blight, Earwigs

codling moth, pear psylla, peach powdery mildew, coryneum blight on peach/nectarine/apricot, earwigs, cherry powdery mildew, degree days, spray timing, spray materials

## **June 10**

Rainfastness of Pesticides

codling moth, white apple leafhopper, peach twig borer, greater peachtree borer, western cherry fruit fly, "Pesticides and Rain", degree days, spray timing, spray materials

## **June 3**

Fire Blight, New Cherry Pest Found in California

fire blight, San Jose scale, peach twig borer, shothole, apple powdery mildew on peach, western cherry fruit fly, "New Cherry Pest Found in California," "Hail Damage," degree days, spray timing, spray materials

## **May 28**

Codling Moth, Woolly Apple Aphid

codling moth, codling moth virus, woolly apple aphid, peach twig borer, cherry fruit fly, degree days, spray timing, spray materials

## **May 20**

Thinning the Home Orchard, EPA Worker Protection Standards

codling moth biofixes, spider mites, campylomma damage, white apple leafhopper, fruitworm and cankerworm, fire blight, "thinning the home orchard," "EPA enforces worker protection standards," degree days, spray timing, spray materials

## **May 13**

Brown Mite, Leafrollers, Peach Leaf Curl

codling moth biofixes and spray dates, brown mite, fire blight, peach leaf curl, coryneum blight, degree days, spray timing, spray materials

## **May 6**

Thrips, Rosy Apple & Green Peach Aphid, Fire Blight

bud stages, codling moth, western flower thrips, rosy apple aphid, fire blight, green peach aphid, campylomma, degree days, spray materials

## **April 28**

Cat-Facing Insects, Fire Blight

bud stages, codling moth, cat-facing insects, fire blight, degree days, spray materials

## **April 22**

Oozing on Stone Fruits, Surround (kaolin clay)

bud stages, powdery mildew, fire blight, oozing on stone fruits, GF-120 for residential growers, surround for organic insect suppression, spray materials

## **April 15**

Using GF-120 for Cherry Fruit Fly

bud stages, codling moth, campylomma bug, using GF-120 for cherry fruit fly (commercial orchardists), spray materials

## **April 10**

Tips on New Tree Plantings, Degree Day Numbers

bud stages, codling moth, San Jose scale, rosy apple aphid, pearleaf and appleleaf blister mites, western flower thrips, pear psylla, woolly apple aphid, tree planting tips, explanation of advisory numbers, spray materials

## **April 2**

Pruning Fruit Trees

dormant sprays, bud stages, coryneum blight, fire blight, peach twig borer, degree days, pruning orchards, spray materials

## **March 18**

Pesticide Updates, Dormant Treatments, Pest Monitoring

pesticide updates, insect and disease control, production information
