

2011 - Brown Rot, Pollination, Spotted Wing Drosophila

September 21, 2011

2011 Fruit Advisories

September 21

Fall Chores, Spotted Wing Drosophila

spotted wing drosophila, eriophyid and blister mites, fire blight, coryneum blight

August 17

Late Season Pests

codling moth, pear psylla, bitter pit, San Jose scale, stink bug in apple, shothole borer, greater peachtree borer, peach twig borer, post-harvest tart cherry spray, stink bugs in peach, insects in ripe peach fruit, spider mites, walnut husk fly

July 29

Peach Twig Borer, Stink Bugs

peach twig borer, spider mites, pear sawfly, stink bugs, western cherry fruit fly

July 21

Walnut Husk Fly, Spotted Wing Drosophila

codling moth, woolly apple aphid, peach silver mite, walnut husk fly, spotted wing drosophila update

July 8

Greater Peachtree Borer, Controlling Birds, Rainfastness of Pesticides

codling moth, leafhoppers, spider mites, blister mites, greater peachtree borer, Preventing Fruit Injury from Birds, Rainfastness of Pesticides

June 29

Uncommon Diseases, Cat-facing Insects, Cherry Fruit Fly

codling moth, woolly apple aphid, San Jose scale, rust on apple, apple scab, cat-facing insects, western cherry fruit fly

June 22

Peach Twig Borer Spray Timing
codling moth, peach twig borer spray timings only

June 15

Thinning Peaches, Applying Pesticides Safely
codling moth, rosy apple aphid, white apple leafhopper, fire blight, peach twig borer, greater peachtree borer, cherry powdery mildew, western cherry fruit fly

June 2

Gummosis of Stone Fruits
codling moth, peach twig borer, aphids, causes of gummosis, coryneum blight, peach leaf curl

May 19

Codling Moth Virus, Borers, and Root Feeders
codling moth, fire blight, woolly apple aphid, borers and root feeders

May 12

Codling Moth, Fire Blight
codling moth, fire blight, pear psylla, campylomma bug, coryneum blight, peach leaf curl

May 6

Powdery Mildew on Peach, Fire Blight, Frost Damage
fire blight, codling moth materials, green peach aphid, thrips, peach powdery mildew, bud stages

April 27

Pollination, Frost Injury
bud stages, peach twig borer, thrips on nectarine, cat-facing insects, apple powdery mildew, pollination requirements of fruit trees, frost damage

April 13

Aphids, Brown Rot
bud stages, peach twig borer, thrips on nectarine, cat-facing insects, apple powdery mildew, pollination requirements of fruit trees, frost damage

March 24

Pesticide Updates, Delayed Dormant Sprays
pesticide updates, delayed dormant sprays
